

**BASKETMAKING**

## ***Make Your Own Bread Basket***

**Learn the basic skills of basketry while you make a rectangular-shaped basket. You'll learn how to create and weave a base, weave the sides, and finish a basket using natural and dyed basket reed to make an attractive bread basket about 10 inches by 6 inches by 6 inches high.**

Robin Ingram has been weaving baskets as a hobby since 1997 and is active in several basketmakers guilds. She teaches classes at Bronxville and Scarsdale Adult School programs as well as libraries in Westchester and Rockland Counties.

**Class size is limited: participants must commit to the 2 sessions.**

**Mondays, July 16 & 23**

**3:30 – 5:30 pm**

**Registration is mandatory**
