

Calligraphy for Beginners

Calligraphy is a centuries old art form which will allow you to slow down and enjoy the beautiful writing process stroke by stroke.

In this **three-session workshop** students will learn the basics of working with a broad edge marker pen. They will learn an Italic alphabet, a versatile 15th century calligraphy style. Students will be able to apply the knowledge they acquire to create handwritten projects and explore other broad edged pen scripts.

Nancy Favorito is a freelance calligrapher based in Westchester who specializes in pointed pen calligraphy.

No calligraphy experience necessary. This course is for absolute beginners as well as intermediate students who want to review and practice.
